FIRE PROOF OIL. InsurancE

AGAINST COAL-OIL ACCIDENTS. Out as a wick. "Fire-proof Oil" will no ignite if burning torches are dipped into it in the hottest weather. But in a lamp and with a wick, it burns with surrassing brilliancy. This explains our trade mark, "Fire Proo Oil." If the cook pours this oil into the stove, or the children knock over a lamp filled with it, there will be no explosion. It is made from a grade oil that comes from the made from a crude oil that comes from the

other petroleum. This remarkable crude i pumped from our "Kinslow Well." in Barret county, Ky., a well which bas not its counter part, as far as we know, in the world; Du ing the past few years, we have refined and distributed thousands of barrels of this oil and there has never been an accident from
